

Brent's Augmented Reality (AR) Marker

<http://brenttucker.com/>

<http://www.compuglobalhypermeganeet.biz/AugmentedReality/TheAR2Project/>

For best results cut on dotted lines and glue to cardboard.

For worst results print this page and throw it in the garbage.

For most time-savingest¹ results, ignore my website entirely.

¹ Don't even ask me if "time-savingest" is a word. I'll make it happen:
